MEMORANDUM FOR 366TH FIGHTER WING PERSONNEL

FROM: 366 FW/CC

SUBJECT: 366th Fighter Wing Environmental Policy

1. The 366th Fighter Wing mission is to develop and deploy combat ready Airmen, take care of gunfighters, and protect and enhance our resources.
2. This wing is committed to conducting its mission in an environmentally responsible manner. We will protect human health, natural resources and the environment and comply with all federal, state and local environmental laws. We will continually improve our environmental performance.
3. Our Environmental Management System (EMS) is continually improving in order to achieve long-term mission sustainability. In support of our environmental policy, we will:
 - a. Maintain an effective EMS to improve our environmental performance and minimize impact to Gunfighters, their families, and the environment;
 - b. Set goals, measure progress, take corrective action when needed, and communicate results to Gunfighters, the community, regulators and the public;
 - c. Investigate new technologies, minimize pollution, recycle waste when possible and dispose of wastes in an environmentally sound manner;
 - d. Provide regular operation-specific environmental performance reviews and assessments through the Environmental, Safety and Occupational Health Compliance Assessment and Management Program and develop plans to address noncompliance, identify opportunities for improved management; and
 - e. Continue to be a good neighbor to the communities that sustain our mission.
4. Every member of the 366th Fighter Wing and its associate units are responsible for implementing this policy. Every commander is responsible for ensuring his or her unit implements this policy. I charge every Airman to comply with the law and integrate sound environmental practices into our daily decisions and activities.
